Legal Reason and Purposes of Using Cookies

Cookies are used to ensure that your visit to our Website is carried out properly and your information is remembered for the next time you visit our website. We use cookies to improve the operation and content of our Website, to statistically evaluate the use of our Website, to present the content on our Website in the most effective way to you and your device. Cookies are used for the purposes of providing customized services and advertisements in line with visitors' habits.

Storing and Accessing Cookies

Cookies created by our Website are stored on your computer by the browser you use to access our Website. Remote access to the information contained in these cookies is possible only by our Website, which is presented under the domain name (www.gamepot.co) that created the cookie, and if you use the same browser.

It's Up to You to Accept Cookies

In order to use our website, the use of cookies other than those listed under the "mandatory cookies" above is not mandatory, but if you set your browser to block all cookies except mandatory cookies, the quality of your user experience may decrease and it may prevent you from accessing our website or benefiting from various functions of our website.

You can manage cookies by visiting our "Cookie Preferences" page.

You can configure your browser to block cookies for the entire Website or for a specific website, give a warning when a cookie is set, block third-party cookies, or treat all cookies as session cookies.

On the other hand, you can delete the cookies saved on your device through your browser or view and follow the list and values of these cookies. You can get detailed information about cookie management by clicking on the browsers listed below.

If you want to learn more about cookies, you can click on www.aboutcookies.org and www.youronlinechoices.eu (Site contents are in English)

Security of Your Data

Cookies are not used for purposes other than those specified in this Cookie Policy, and all relevant transactions are carried out in accordance with the current legislation. Your data obtained through cookies is processed, stored and secured by Games United in accordance with the applicable legislation.

This Cookie Policy may be updated in order to comply with the legislation due to our changing processes. For more information about the data processed through our cookie practices, see our Privacy Policy.
