

MERGE PARK PRIVACY POLICY

1. GENERAL INFORMATION

Games United understands the importance of your privacy and is committed to protecting the privacy of everyone who uses our websites and applications. We would like to let you know that Games United websites and applications can be used all over the world. Because of that, the privacy and data protection regulations and requirements vary according to the country. We believe and try to provide the same high level of protection which is described in this privacy policy. Through this privacy policy we are hoping to explain to you about how your data is being used. If we seek to use your information for other purposes other than those specified in this policy we will ask for your informed consent.

Please note that you are expected to carefully read the contents of this Privacy Policy and confirm your full understanding before using Games United's products or services. We also want to let you know that Games United attaches immense importance to the protection of the personal information of minors. **If you are a minor under the age of 18, your guardian must read the Privacy Policy (“the current policy”) and the Merge Park [Children’s Privacy Guide](#) carefully and agree or authorize you to agree to use Games United’s products or services in accordance with the the current policy.** If you have additional questions please contact us at mergepark@gamesunited.co

2. HOW WE OBTAIN YOUR DATA

2.1. The Data Processed When You Enter The Game (Provided By You)

All features on the Games United Game(s) are available without the need for registration by you. We don't work with accounts or chat box functions. No personal data (such as email addresses and phone numbers) is requested from you. Nonetheless, Games United does process certain electronic data when you play the Games United Game(s) for specific purposes, as detailed below.

Games United collects your data during your use of its game services. The data Games United will obtain will be; number of sessions and durations, session duration, operating systems, device models, geography (country info), first launches, app opens, app updates and in app purchases. Even if these data are matched separately or with each other, they do not identify or make your identity identifiable.

2.2. Derived

Certain data we do not receive directly, but can be derived from the information already in our possession. For example, information about your language preferences.

If the provision of certain personal data is a legal or contractual obligation or an essential requirement for concluding an agreement with us, we will separately provide additional information about this for as far as this is not clear in advance. In such case we will also inform you about the possible consequences if this information is not provided.

Games United reserves the right to collect your information or get your authorization when you need to use specific functions or game services.

When you play the game, the following data may will processed by us:

Service/Function	Scenario triggering	Information type	Description
Device Information	User's first use	Device Type, Phone Model, Operating System Language	Important identifier of the account, to ensure the security of the account, and to ensure that the user logs in to the device the same as the last time, retain the user's game progress, and ensure that the user can completely run the game on a specific device
In-game Purchases	The user has purchased products in-game	List of purchased products	
Advertising	The user watches advertisement in the game	Useractivity data (how many ads viewed, date, operating system information, ad revenue, total ad revenue generated from the user, ad type (interstitial, banner)	These data do not constitute personal data because no information on the identity of the person can be obtained by using these data directly or by matching them with other data. This data is transmitted to the adpublisher organization.

2.3. Games United can obtain your relevant information without your permission according to laws and regulations if such information:

- 2.3.1. Is related to national security and national defense security.
- 2.3.2. Is related to public security, public health, and major public interests.
- 2.3.3. Is related to criminal investigation, prosecution, trial, and execution of judgement.
- 2.3.4. Is related to other cases specified by laws and regulations

3. HOW GAMES UNITED USES YOUR PERSONAL INFORMATION

Although Games United does not process personal data, when you contact to us via e-mail, we will processes your information for the following purposes:

- For the functioning of the Games United Game(s) (such as; remembering your settings and to save the game progress.)
- For handling any requests, complaints and disputes, for example when you contact us;
- For determining, exercising and defending our rights; and
- For complying with legal obligations (incl. fraud prevention) and requests of authorized governmental institutions.

We base the use of your data in the context of the Games United Game(s) on our legitimate interest in offering and securing our game(s), and pursuing the other processing purposes listed above. If you need additional information you can contact to us directly by mergepark@gamesunited.co We may also process your data based on a legal obligation. This means that we will process the data for as far as we are legally obliged to do so, for instance if we receive an injunction that we need to adhere to.

4. WHO DO WE SHARE YOUR DATA

Games United does not share or restore your personal data. You as the user understand and agree that in order to provide you with better game services and experience, we share and restore your “Game Data” and “Technical Data” in our partner (third-party service providers). We securely store game data and technical data by using Stroge services provided by Amazon Web Services (“AWS”) and Google Cloud. You can find more information regarding AWS’s and Google’s websites.

5. SECURITY OF YOUR PERSONEL DATA

Protecting your privacy and data Security of your personal information is important to us. Therefore;

- Games United retains your personal information only for such period as is necessary for the purposes set forth in the Privacy Policy or during such time limit as may be required by laws and regulations.
- Games United has implemented appropriate technical and organizational measures to protect and secure your personal data, in order to prevent violations of the confidentiality, integrity and availability of the data. Please note that, the internet environment is not completely secure and Games United will do its best to ensure or guarantee the security of any information you send to Games United.
- In the event of an personal information security incident, Games United will, in accordance with the requirements of laws and regulations, promptly inform you of the basic status of the security incident and its possible impact and the measures Games United has taken or will take to handle the same, and provide suggestions to help you prevent and reduce the risk independently, as well as provide remedial measures.
- We securely store your information by using the Storage service provided by Amazon Web Services (referred to AWS) (<https://aws.amazon.com/>); Google Cloud (<https://cloud.google.com/privacy>) and Microsoft Azure

(<https://privacy.microsoft.com/en-us/privacystatement>). You can find more information regarding Amazon Web Services' Security, Identity, & Compliance at <https://docs.aws.amazon.com/>.

6. HOW TO CANCEL YOUR ACCOUNT

All features on the Games United Game(s) are available without the need for registration by you. If you uninstall/delete the Games United Game (s) from your mobile device, you will also delete all information in the game.

7. PROTECTION OF THE PERSONAL INFORMATION OF MINORS

Please review the details of the explanations regarding the processing of personal data of minors on [Merge Park Children's Privacy Guide](#).

8. UPDATE OF THE PRIVACY POLICY

In case of any change in the products or services related to the Privacy Policy, Games United will get your consent again when you open the game.

9. MISCELLANEOUS

Unless otherwise specified, the Privacy Policy or the revised Privacy Policy shall take effect as of the date of promulgation. If you have any queries or suggestions related to Games United's products or services and the Privacy Policy, or if you want to complain about and report any issue when you think your personal privacy hasn't been protected, you can contact Games United via mergepark@gamesunited.co. Games United will reply within 30 working days; if you are not satisfied with Games United (s) reply, you can also complain or report to the relevant department.
